

# STEAM and Career Education Activities Evidence Form

Haringey Council (the Council) uses its Section 106 Planning Policy<sup>1</sup> and Social Value<sup>2</sup> procurement powers to secure career educational activities for Haringey residents including jobseekers and students by contractually agreeing targets with developers building in the borough. This is to ensure as many residents as possible are aware of the variety of career opportunities available across the construction industry.

The purpose of this form is to collect information, which the Council will use to monitor development sites progression and compliance towards the obligations. Please contact the Council via [ESP@haringey.gov.uk](mailto:ESP@haringey.gov.uk) if you would like further information.
