Haringey
LONDON

Haringey Works is a free and professional recruitment service, with a proven track record of successfully supporting businesses recruit the best local talent.

The team works in partnership with a large network of local employment support services which gives you access to a wider pool of local talent whilst only having to deal with one single point of contact.

Haringey Works will work closely with you to design and deliver a tailored service which meets your specific recruitment needs.

Haringey Works' bespoke recruitment service includes:

- A named contact, who will remain with you throughout the recruitment process;
- A pool of job ready candidates with Right to Work documentation;
- CV sifting and bespoke screening sessions, tailored to suit your business;
- Support with arranging interviews or screening sessions;
- Facilities for hosting interviews;
- Promoting vacancies for free across our partnership networks;
- Support to establish apprenticeships, including identifying training providers;
- Assistance to set up work placements;
- In-work support for you and the candidate for up to six months;
- Support in meeting your Section 106 Agreement obligations.
- Clear time lines and expectations confirmed following first meeting.

Minimum Expectations of Businesses

We ask all businesses wishing to work with us to:

- Pay at least the London Living Wage;
- Provide a formal contract of employment to the employee;
- Provide a job description (though we can help you write this if needed);
- Complete Haringey Works' vacancy template for each role;
- Comply with equalities legislation and demonstrate a clear commitment to diversity.

"I have worked with Haringey Works since opening a new store in February of this year. A huge number of my colleagues have been employed via this relationship and many have prospered and been confirmed into permanent contracts. The relationship is crucial to the management of my business and allows me to recruit from the local area and support the community. I cannot speak highly enough of Haringey Works".
