Echo

Echo is a community where people help each other by sharing skills and talents.

There's no money involved - instead, we use a currency called Echoes. It's simple:

You can:

- Learn new skills
- Meet new people
- Give your time to support inspiring local projects and initiatives

It's a great way to build your skillset, grow your project or business, and expand your network.

It's free to join the community:
www.economyofhours.com

- 1** Create a profile
- 2** Offer a skill
- 3** Trade Echoes
